About Company

At Encore Prefab, we specialize in providing cost effective and high quality modular construction solutions to a wide range of clients across various industries. We understand that every project is unique, which why we offer customizable options to suit your specific needs. We specialize in refurbishing cabins to meet the needs of budget-conscious clients, providing high quality, cost-effective solutions without compromising on functionality or aesthetics.

At Encore Prefab, we are driven by a passion for providing trendy and high-quality finished products to the construction industry. Our extensive range of offerings includes:

- Prefabricated Cabins
- GRP and Panel Tanks
- Portable Toilets
- Interior and Exterior Tiles
- Locker Facilities
- Carpets & Vinyl Flooring
- HPL Panel Cubicles

We specialize in delivering modular and prefabricated turnkey solutions that cater to innovative real estate development, hospitality, and private residency sectors. By collaborating with both international and local experts who deeply understand the region's cultural and geographical nuances, we ensure a comprehensive end-to-end solution tailored to meet modern demands.

Purpose & Principles

01

VISION

"At Encore Prefab Building Materials Trading LLC, our vision is to become the leading provider of innovative prefabricated building solutions, setting the standard for quality and excellence in the industry. We aim to inspire and enable the creation of sustainable, modern, and functional spaces worldwide."

02

MISION

"At Encore Prefab Building Materials Trading LLC, our mission is to revolutionize the building industry with cutting-edge prefabricated solutions that prioritize innovation, sustainability, and quality. We are dedicated to providing exceptional products that enhance the functionality and aesthetics of any space."

03

CORE VALUES

"At Encore Prefab, we are committed to Revolutionizing Construction with innovative, eco-friendly solutions. Our focus on Innovation and Sustainability ensures products that meet the highest standards of quality, durability, and performance. We also prioritize exceptional customer service, by providing tailored support and solutions."

Why Encore Prefab is Your Best Choice

01

TAILORED SOLUTIONS

We provide customized prefab structures and services to meet the unique needs of every project, ensuring optimal results. Each solution is adaptable to changing requirements, offering unmatched flexibility and precision.

02

HIGH-QUALITY MATERIALS

Our products are built with premium, durable materials that guarantee long-lasting performance and efficiency. We adhere to strict quality standards, ensuring reliability even in the most demanding environments.

03

EXPERTISE & INNOVATION

With a skilled team and cutting-edge technology, we deliver advanced solutions that keep your projects on time and within budget. Our commitment to continuous improvement drives innovation, ensuring we stay ahead of industry trends.

04

SUSTAINABILITY FOCUS

We prioritize eco-friendly practices, offering energy-efficient and environmentally responsible prefab solutions. Our sustainable approach not only benefits the environment but also reduces operational costs for our clients.

Innovative Solutions Portfolio

PREFAB CABINS

Our prefab cabins are designed for versatility and quick deployment, making them ideal for temporary offices, living spaces, and more. Built with high-quality materials, these cabins provide comfort, durability, and flexibility to meet various needs.

MODULAR CONTAINERS

Encore Prefab's modular containers offer customizable, space-efficient solutions for a wide range of applications. From storage units to portable offices, these containers are engineered for strength, security, and convenience in any environment.

ALUMINUM CLADDED CABINS

Our aluminum-clad cabins combine modern aesthetics with superior insulation and weather resistance. These cabins are perfect for clients seeking stylish yet durable temporary structures, ideal for both urban and remote settings.

SANDWICH PANEL CABINS

Built for enhanced thermal insulation and structural integrity, our sandwich panel cabins offer energy efficiency and long-lasting performance. These cabins are ideal for various climates and provide an eco-friendly, cost-effective solution for temporary or permanent installations.

Innovative Solutions Portfolio

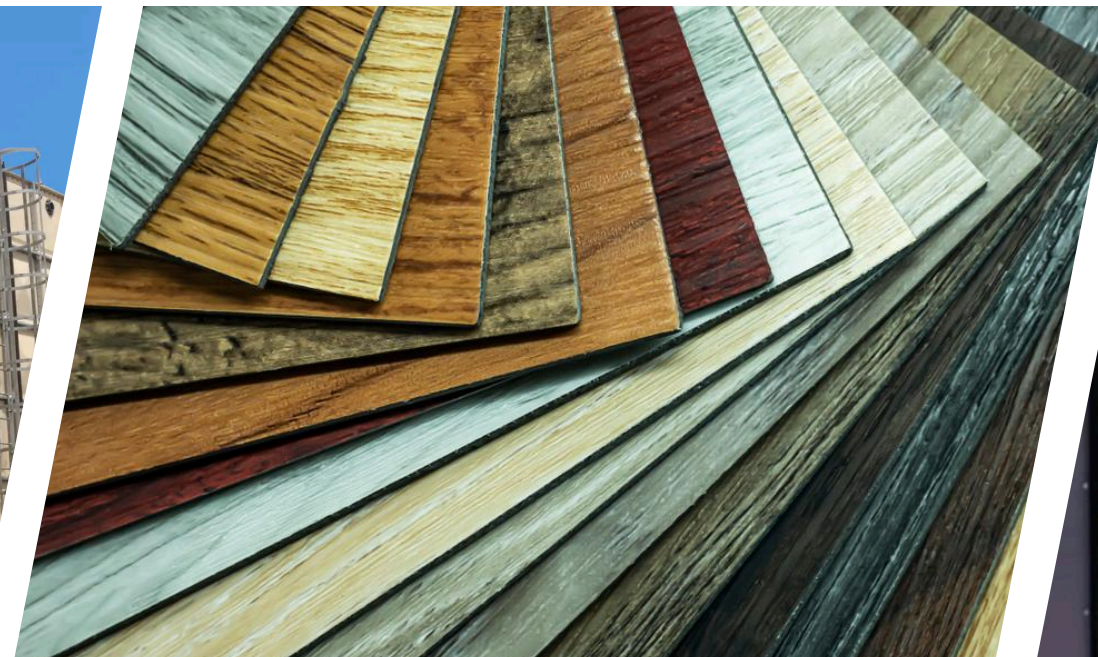

PORTABLE TOILETS

Encore Prefab's portable toilets offer hygienic and convenient solutions for temporary locations. Designed for easy maintenance and maximum comfort, they are ideal for construction sites, events, and remote areas, ensuring sanitation wherever needed.

GRP & PANEL TANKS

Our GRP (Glass Reinforced Plastic) and panel tanks are built for durability and longevity. Designed to store water and other liquids safely, these tanks offer superior resistance to corrosion and weather, making them a reliable choice for any environment.

CARPETS & VINYL FLOORING

We offer a wide range of carpets and vinyl flooring options, blending style with durability. Whether it's for residential or commercial use, our flooring solutions provide comfort, resilience, and ease of maintenance for high-traffic areas.

HPL CUBICLES & LOCKERS

Our High-Pressure Laminate (HPL) cubicles and lockers deliver both functionality and modern aesthetics. With their sleek, durable design, they are perfect for commercial, institutional, or recreational spaces, offering privacy and security.

Our Services

01

DISMANTLING, SHIFTING, AND ASSEMBLY SERVICES

Encore Prefab ensures efficient dismantling, relocation, and assembly of prefabricated units with minimal disruption. Our experienced team handles every step with precision and care.

03

PORTACABIN RENTALS

Our flexible portacabin rental solutions provide quick, customizable options for temporary offices, restrooms, and worksite accommodations, designed to meet your project needs.

02

REPAIRS AND RENEWALS

We offer comprehensive repair and renewal services to restore and upgrade your prefabricated structures, enhancing their durability and functionality for long-term use.

04

LOGISTIC SUPPORT

From transportation to storage, we deliver seamless logistic support, ensuring your prefabricated units and materials are managed efficiently and on time within the UAE.

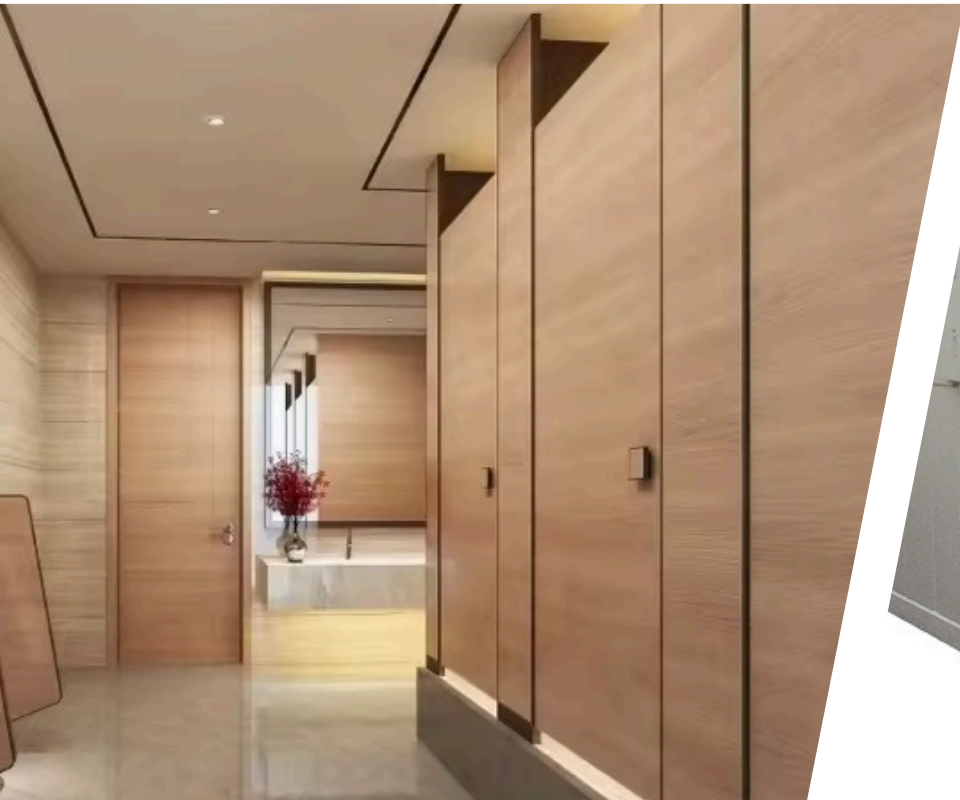

Our Portfolio

Take a visual tour of our most recent projects, where you'll find examples of our custom-built prefabricated structures and the full scope of our services. From dismantling and shifting to repairs and renewals, Encore Prefab's commitment to excellence is visible in every project.

Ready to bring your prefabricated structure vision to life? Encore Prefab is here to make it happen. Our comprehensive services, experienced team, and proven track record mean your project is in capable hands. From the initial design phase to final execution, we are committed to providing the best solutions tailored to your needs.

Our Portfolio

Our Contact

Encore Prefab is your go-to provider for reliable, durable, and customizable portacabin. Whether it's for a short-term event or a long-term project, we've got you covered.
